Open leadership

Becoming a mentor for starting school leaders, 2021

Topics:

- what documents must I have?
- how to support and check teachers work?
- how to hold conversations?
- how to start cooperation what has been terminated by the last leader?
- where to get money from?
- how to answer parents letters?
- how to stay alive/rest?
- who is my boss? who controls me?

Improving the system of professional development of teachers and school leaders | British Council

The project was implemented by the British Council in cooperation with the European Commission.

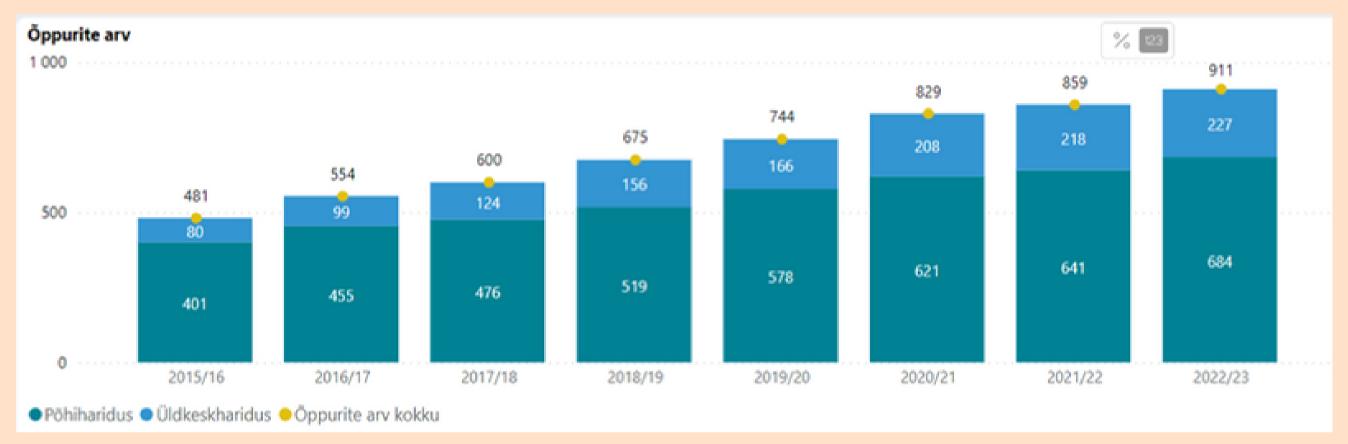

britishcouncil.ee

British council program, 2021

Results

- An analytical tool for teachers, which helps teachers analyse their professional development needs, select specific action steps and practice them with their learning partners.
- A guide for developmental conversations, which allows school leaders to analyse their leadership and agree on specific action steps with their learning partners in order to practice instructional leadership.
- Educational policy recommendations for improving the system of professional development of teachers and school leaders to accredit training programmes, assess their impact on teaching and learning, create a clearer career model for teachers, specify the decision-making processes, etc.
